The Fountain Hills Branch of Maricopa County Library District and the Town of Fountain Hills Parks & Recreation Department together hosted a new event, Touch-A-Truck, on Saturday, October 12, 2019. This event showcased working trucks of our community for the young and young at heart to explore and learn how they work. Between 200-230 people came out to take part in the event.

Cards were passed out for the kids to vote for their overall favorite truck. According to the Fountain Hills Library, many votes were cast, and the winner was....the Fire Truck (as shown above).

The Fountain Hills Sanitary District, Maricopa County Sheriff's Office, Republic Services (trash), Fountain Hills Parks and Recreation, Fountain Hills Streets Department, and Fountain Hills Fire Department all took part in this event, bringing together some great trucks for the family's to touch and climb on.
