

**FOUNTAIN HILLS
SANITARY DISTRICT**
Recycles Every Drop

Fountain Hills Sanitary District ASR Well Control Facility & Restroom Ribbon Cutting Ceremony December 18, 2019

Two Government entities came together to celebrate the opening. On the left, Mike Scharnow (Councilmember), Art Tolis (Councilmember), Dana Trompke (District Manager), Alan Magazine (Councilmember), Jerry Butler (District Director), Ginny Dickey (Mayor), behind her is Bob Thomson (District Director), Gregg Dudash (District Director), Stan Connick (Architect), Tom Reski (District Director), and Michael Maroon (District Director).

Top crew leaders from Hunter Contractors, Overton Builders, and Wilson Engineers that helped to build the facility were on hand to celebrate the opening.

Ginny Dickey (Mayor) and Gregg Dudash (Sanitary District Chairman) cut the ribbon signifying the opening of the long awaited, and much needed restrooms at Fountain Park.

An educational sign will be permanently placed on the building, explaining how Fountain Hills Sanitary District *Recycles Every Drop*.

Stop by and take a look!

A crowd of local residents turned out for the ribbon cutting and the opening of the restrooms on the east side of Fountain Park by the parking lot.
