

FOUNTAIN HILLS SANITARY DISTRICT

Proposing fee schedule for the period July 1, 2022 to June 30, 2023

NOTICE OF REVISION TO PROPOSED FEE INCREASES

The Sanitary District is experiencing significant inflation in the cost of necessary supplies to safely collect and treat wastewater. Needed chemicals have increased 42 to 157%. Fuel costs are significantly higher. The cost of equipment such as pumps, safety and testing supplies, piping, and the repair or replacement of fleet vehicles have all seen large increases.

Having taken resident’s public comments into thoughtful consideration, the Board has revised the proposed fee increased for the next fiscal year and made appropriate budget reductions. The proposed fee schedule for the Fiscal Year 2022-2023 will increase monthly sewer user fees by \$1 per month (\$3 per quarter) for residential users. Non-residential sewer user fee increases vary by use category.
