LOW-INCOME ASSISTANCE PROGRAM

Effective July 1, 2022, the Fountain Hills Sanitary District will modify its Low-Income Assistance Program. The program is designed to assist homeowners with low-income with monthly utility costs. Homeowners that qualify will now receive a 25% discount on the quarterly sewer service fee.

In order to qualify, an applicant must meet the following requirements:

- Applicant must be a U.S. Citizen or legal resident.
- Applicant must be a full-time resident in Fountain Hills.
- The account must be in the homeowner's name, not a renter.
- The home must be the primary residence.
- Household income does not exceed 150% federal poverty level.

The applicant must renew annually. This program is limited to 100 residential accounts and is not available for commercial, or non-residential accounts.

In addition, the Sanitary District has partnered with the Maricopa County's utility assistance program for low-income residents. The Tempe Community Action Agency (TCAA) administers the County's program for Tempe and Fountain Hills residents and can assist through a variety of programs and with multiple utility bills. TCAA can be reached at 2150 E. Orange Street, Tempe, AZ 85281, (480) 422-8922.

The Sanitary District will not collect personal financial records or determine financial eligibility; rather the Sanitary District will honor the eligibility determined from other agencies. There are two ways to demonstrate eligibility:

1. Provide proof of enrollment in another utility's low-income program (i.e., EPCOR, SRP, or Southwest Gas), or
2. Provide documentation of program enrollment or eligibility from TCAA (listed above).

For further assistance, please contact the District office at (480) 837-9444
